

The History Column

by Tom VE3MAH

It has been some time since I sat down to write some words about our club. I know, summer is almost done with and I should have spent some of it sorting through the archives – but I didn't.

Part 7

From the last column – So how many of these guys did you recognise?

This picture was taken at a gathering of members in Joe VE3JWK's back yard about 1976.

Starting at the lower left: Larry Brown VE3IXW; Larry's XYL; Bill Woodfield (standing); Earl Kaufman VE3CTY; Don Smith VE3IYA; Oliver Ketchabaw VE3GDN; unknown; John (Woody) Woodfield VE3CYK; unknown; Jack McIntosh VE3BWP; unknown 4; Doug Pattengale VE3BIT.

This short column will present some statistics. As I have stated in the past, past club members have not been very diligent at keeping membership lists, elected executive lists, treasury records or past bulletins. Fortunate for me, I found a binder on my shelf that included some bulletins from the 1980's and a file folder with any of the handouts we may have received at meetings. By scouring the minutes of meetings and the few member lists, I managed to compile a membership list for each of the past 50 years. While many of the years are from actual member lists published in the bulletins, others are a best compilation from members names listed in the minutes. Obviously, these lists are a best approximation and open to error.

The list of executives is as complete as the actual minutes from each April Annual General Meeting.

As you look at the following membership chart, note that our membership year started out as 64/65 representing a membership year starting in September of 1964 and ending in June of 1965. Sometime around 1980 or 1981, the membership year changed to the calendar year, but the meeting year stayed September to

June. About 1998, both the membership year and the meeting year became equal to the calendar year. While this doesn't appear to be a big deal, without detailed lists, paid membership prior to 1998 is difficult to determine.

The longest membership goes to Bill Woodfield VE3CYK who was a paid member and Life member for 40 years.

SWARC executive bestowed 9 Life Memberships to the following deserving amateurs; Jim Sweet VE3AAI, Art Andrews VE3AKC, Dave Lott VE3BHZ, Jack McIntosh VE3BWP, Bill Woodfield VE3CYK, Eric Meth VE3EI, Fred Hammond VE3HC and Stan Jackson VE3IC.
